An entrepreneurial adventure that would continuously REAFFIRM ITSELF OVER THE GENERATIONS

PHILIPPE ODDO
General Partner & CEO

1849
Camille Gautier becomes a stockbroker in Marseille

1854
Frankfurter Bank is founded as the central bank of Frankfurt.

1856
Berliner Handelsgesellschaft (BHG) is founded at the time of the economic upturn in Germany.

1884
Carl Fürstenberg joins BHG. Under his leadership, it becomes one of the leading banks in Germany.

1966
Opening of the high-rise bank tower in Frankfurt am Main designed by Sep Ruf (Bauhaus). It is the highest building in the city at that time.

1970
Merger: BHG and Frankfurter Bank merge to create BHF-BANK. This development attracts significant attention in Germany.

1971
Bernard Oddo founds his own company as a broker. He rapidly introduces a system through which employees can participate in the capital – the foundation of the current partnership program.

1987
Philippe Oddo becomes a partner in 1987 together with his brother Pascal Oddo. They appoint a management team in 1995.

1997-2011
ODDO & Cie grows rapidly and continuously, both internally and externally, acquiring Delahaye Finance, Pinatton, NFMDA, CLSE, Cyril Finance, Banque d'Orsay and Robeco.

2009
The Oddo Research Institute is founded in Tunis.

2015-2016
ODDO & Cie acquires Close Brothers Seydler and Meriten Investment Management in 2015 and BHF-BANK in 2016. The aim is to become one of the leading financial services providers in the eurozone.

2017
The Group becomes ODDO BHF and appoints a Franco-German management team.

2018
The brokerage businesses and equity research activities of Natixis in France are transferred to ODDO BHF. Acquisition of ACG Capital (private equity).

2020
ODDO BHF signed a strategic partnership for Equity Brokerage with ABN AMRO in the Netherlands and BBVA in Spain.

Consolidation in Switzerland: ODDO BHF acquired the oldest bank in French-speaking Switzerland, Landolt & Cie, based in Lausanne and Geneva.

2021
ODDO BHF signed a partnership agreement with Commerzbank in Germany for the equity intermediation business

ODDO BHF acquired Metropole Gestion, specialist in Value Management

2022
ODDO BHF strengthened its private banking activity with the acquisition of Quilvest Banque Privée S.A renamed La Banque Privée Saint Germain

2023-2024
ODDO BHF strengthens its European presence with the opening of an office in London and the signing of a partnership agreement with Raiffeisen in Austria for the equity brokerage business

Deeply rooted in Europe, we aim to promote OUR EXPERTISE THROUGHOUT THE WORLD

We are fortunate to have more than **70,000 clients**, institutional investors, companies, distribution partners and large private clients whose financial assets we advise, manage, and invest for a total amount of **156 billion euros**. Our mission is to grow these assets through our four businesses.

PRIVATE WEALTH MANAGEMENT

We develop customized investment concepts and solutions for entrepreneurial families and their family offices, high-net-worth individuals and foundations. Our goal is to preserve and grow our clients' wealth, allowing them to pass it on successfully to the next generation.

ASSET MANAGEMENT

Whether listed securities, private assets or savings products, our global Asset Management offering covers all asset classes and investment solutions for our clients and partners. In each of our three businesses - asset management, private assets and independent financial advisory - we seek to create sustainable value for them, in line with their expectations and investment objectives.

INVESTMENT BANKING

In all our businesses - equity and fixed income brokerage, corporate finance, institutional fund platform - Strong values of independence, excellence and partnership guide us in the way we conduct our businesses. Our presence in Europe and around the world, our market expertise and deep understanding of our clients' needs enable us to seize the best opportunities. Thanks to these assets, our clients view us as a financial partner of choice.

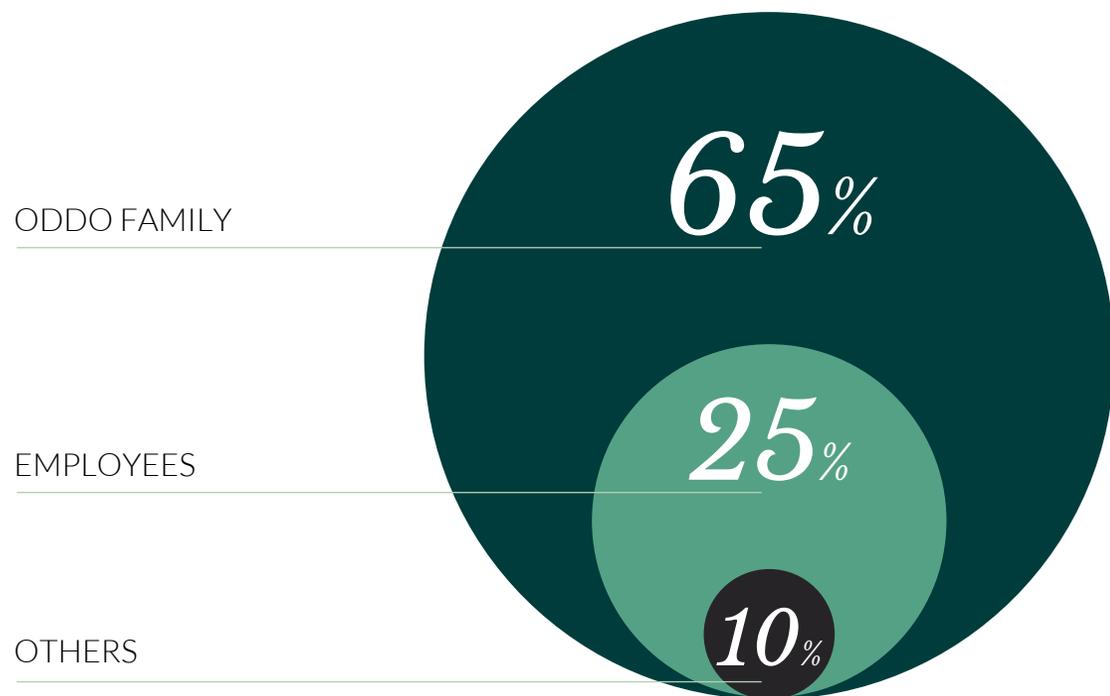

CORPORATE BANKING, ASSET SERVICING & METALS

Our three business lines – International & Corporate banking (ICB), Asset Servicing and Metals trading – offer a comprehensive range of services to professionals. Our expertise covers correspondent banking solutions and the support of corporate clients as they expand into new international markets and undergo transformation, the entire metals value chain and enables us to offer front-to-back solutions tailored to banks, asset managers and life insurance companies

The 3 pillars OF OUR SUSTAINABLE COMMITMENT

Long-term commitment is one of our core values.

We aim to act as a responsible player by integrating sustainable development issues into our daily activities.

In line with our ESG expertise and products, we are committed to sustainable initiatives based on three main pillars.

01 **CHAMPION OUR TEAMS**

We are convinced that diversity within our teams is a major driver of performance. In particular, we focus on gender diversity, intergenerational collaboration and multicultural teams. A range of measures have been implemented to promote the plurality of talents, their collaboration, their fulfilment and their development.

02 **LIMIT OUR ENVIRONMENTAL IMPACT**

We limit our environmental impact and guarantee control of our carbon footprint by implementing a low-carbon policy and an ambitious action plan to reduce emissions from our activities.

03 **ACT TOWARDS A COHESIVE SOCIETY**

Within the framework of our dedicated entities, the ODDO BHF Agir pour demain endowment fund and the independent foundation BHF BANK Stiftung, we support the development of regions in which we operate by supporting educational, social and artistic projects in which our clients and employees are regularly involved.

ODDO BHF Asset Management

OUR INVESTMENT APPROACH

As a leading asset manager in Europe, we provide investment solutions in equities, fixed income, asset allocation, private equity and private debt to institutional clients and distribution partners. Our proximity to investors and a thorough understanding of their needs are at the heart of our concerns. To do so, we rely on our strong local presence in Europe and in-depth knowledge of the markets we invest in. Each day, we strive for excellence in the execution of the mandates entrusted to us.

Our investment style is characterized by an active and long-term investment approach. We aim to outperform the markets in order to create long-term value for our clients. To achieve this, we place financial and extra-financial analysis at the heart of our investment strategies. Stable and experienced management teams,

transparent investment processes are all assets that forge our identity.

More than ever, the investment world must contribute to a more sustainable and fairer economy. As pioneers in sustainable investment, we have been integrating ESG (environmental, social and governance) criteria into our portfolio selection and management processes for more than ten years. Accordingly, we provide clients with a wide range of sustainable financial solutions across all asset classes.

Our conviction? Responsible investing, especially in our mutual funds, is a business imperative that makes us more effective at finding sustainable opportunities and generates potentially better outcomes.

OUR *sustainable* APPROACH

Exclusions, sustainability integration and active ownership are the 3 pillars of our sustainability strategy.

OUR 3 PRIORITIES:

LONG-TERM VISION

To identify the material drivers of future financial performance

IMPACT

To contribute to more positive externalities and make a difference in a transitioning world

SUSTAINABILITY RISKS

To identify risks that could affect the value of our investments

The asset management industry is actively involved in the society's transition towards a more sustainable development model. Our goal is to support the ecological transition through the selection of companies that benefit from the global economic transformation pathway.

NICOLAS CHAPUT
Global CEO

Three steps in identifying specific risks AND LONG-TERM GROWTH OPPORTUNITIES

1 | EXCLUSIONS

- **ODDO BHF AM Exclusion Policy:**
 - › Common base of exclusion
 - › Specific sector exclusions
 - › Relevant **European labels** requirements
 - › Exclusions specific to **Green, Social, and Sustainability bonds**

2 | SUSTAINABILITY INTEGRATION - DOUBLE MATERIALITY

RISKS AND OPPORTUNITIES

- Use of internal or external **ESG ratings in investment processes**
- **Controversy monitoring**
- **Climate-related metrics and ratings** to assess and report transition and physical risks
- **Metrics and ratings** to assess and report **nature-related risks**
- Dedicated ESG analysis process for **Green, Social, Sustainability Bonds**

IMPACTS

- Principal adverse impacts of our investments
- Green and social revenue, **Taxonomy alignment & Capex** to finance the transition

3 | ACTIVE OWNERSHIP

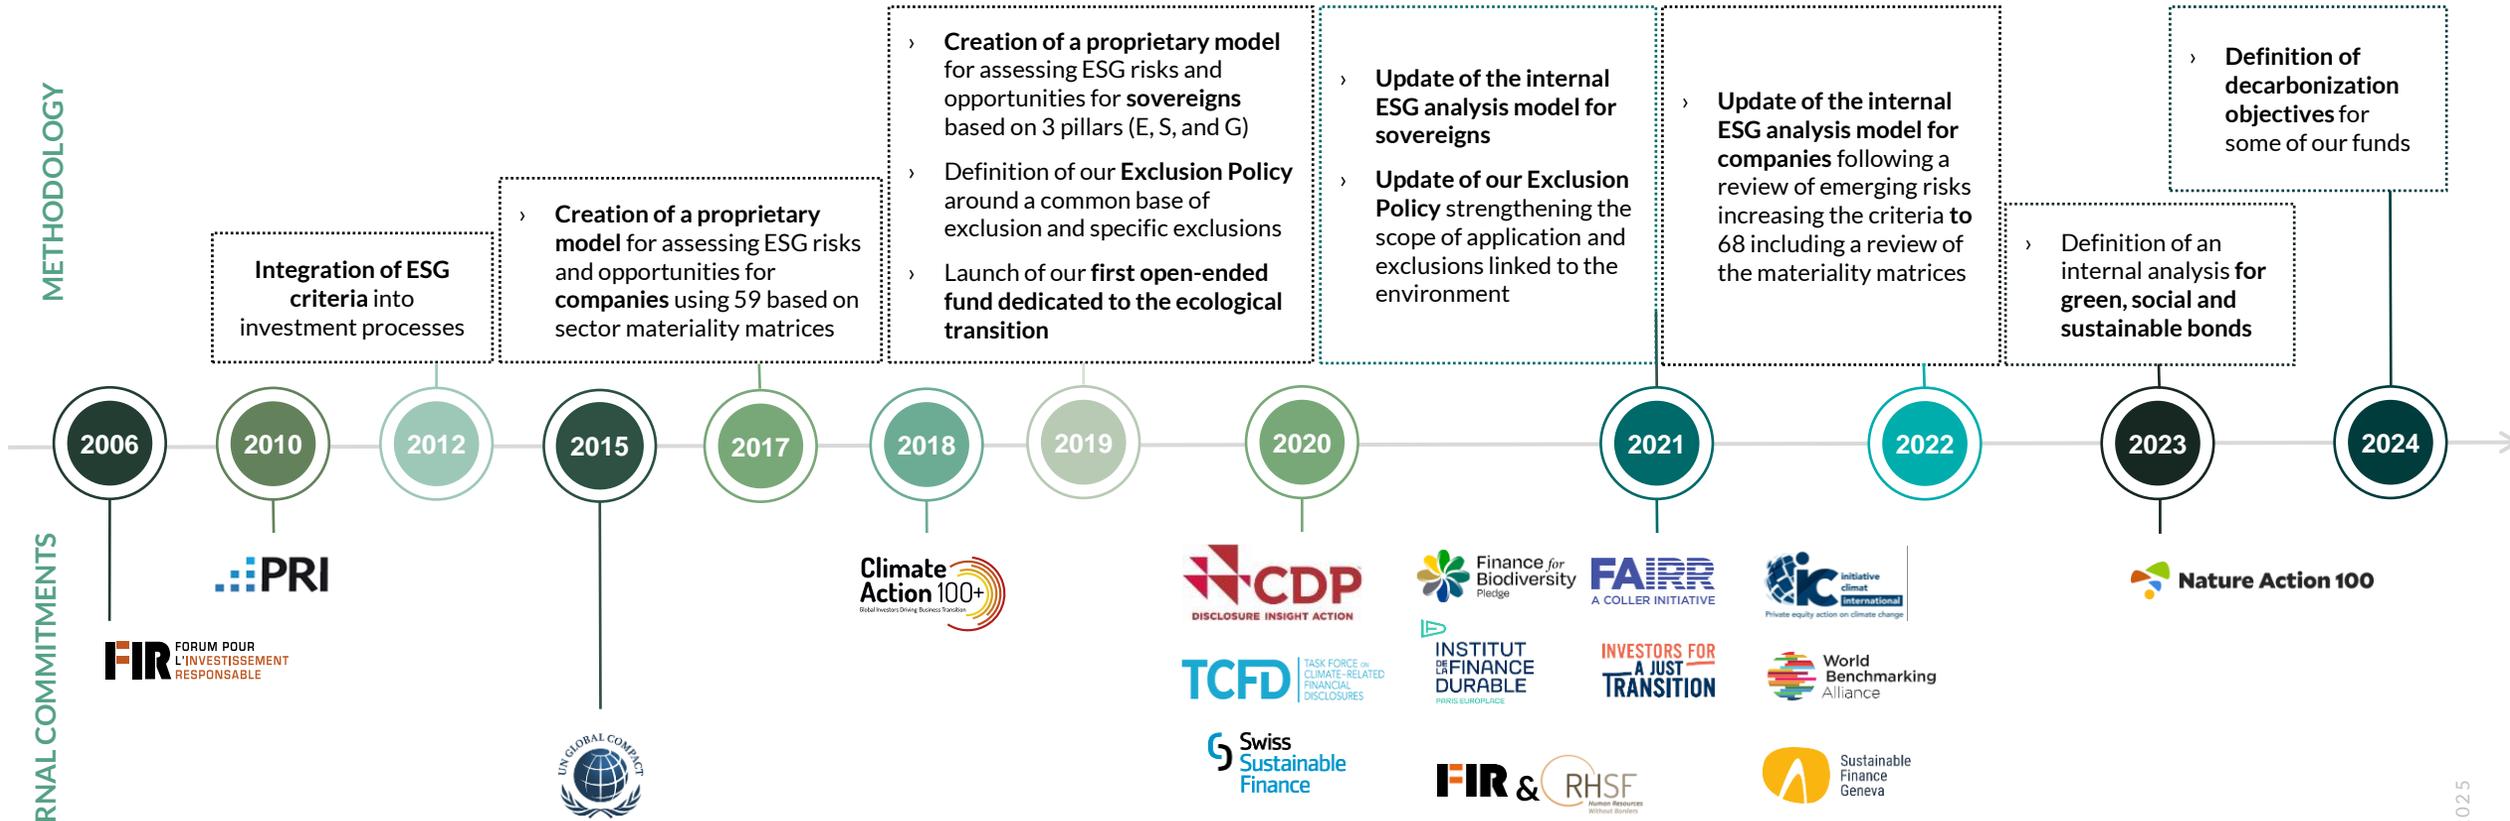

- **Regular dialogue** with companies on **material** sustainability topics
- **Individual and/or collaborative engagement**
- **Integration of ESG assessments** into ODDO BHF AM **Voting Policy**
- **Escalation process** if engagement is unsuccessful
