ODDO BHF AM is the asset management division of the ODDO BHF Group. It is the common brand of three legally separate asset management companies: ODDO BHF AM SAS (France), ODDO BHF AM GmbH (Germany) and ODDO BHF AM Lux (Luxembourg). This document has been drawn up by ODDO BHF ASSET MANAGEMENT SAS for market communication. Its communication to any investor is the exclusive responsibility of each distributor or advisor with the exception of Belgium, where this document is intended exclusively for distributors and may not be distributed to non-professional clients. Potential investors should consult an investment advisor before subscribing to the fund. The investor is informed that the fund presents a risk of capital loss, but also many risks linked to the financial instruments/strategies in the portfolio. In case of subscription, investors must read the Key Information Document (KID) and the fund's prospectus in order to acquaint themselves with the detailed nature of any risks incurred and all costs. The value of the investment may vary both upwards and downwards and may not be returned in full. The investment must be made in accordance with investors' investment objectives, their investment horizon and their capacity to deal with the risk arising from the transaction. ODDO BHF ASSET MANAGEMENT SAS cannot be held responsible for any direct or indirect damages resulting from the use of this document or the information contained in it. This information is provided for indicative purposes and may be modified at any moment without prior notice. Any opinions presented in this document result from our market forecasts on the publication date. They are subject to change according to market conditions and ODDO BHF ASSET MANAGEMENT SAS shall not in any case be held contractually liable for them. The net asset values presented in this document are provided for indicative purposes only. Only the net asset value marked on the transaction statement and the securities account statement is authoritative. Subscriptions and redemptions of mutual funds are processed at an unknown asset value.
