

SICAV ODDO BHF
ODDO BHF Métropole Sélection

Paris, 4 February 2026

The SICAV ODDO BHF has decided to amend the legal documentation of the ODDO BHF Métropole Sélection sub-fund of the SICAV ODDO BHF (hereinafter the “**Sub-fund**”).

Until now, it was planned that the fund would only be able to invest strictly in equities from European Union countries and the United Kingdom.

Given that this restriction no longer applies since the Sub-Fund is no longer eligible for the PEA (*Plan d'Épargne en Actions* – French equity savings plan) and in order to ensure that the Sub-Fund's legal documentation is consistent with its current investment strategy, it has been decided to extend the geographical scope of investment to Switzerland and Norway.

As a result, investment in EU, UK, Swiss and Norwegian equities is at least 75%, so as to generate the highest performance possible; exposure to EU, UK, Swiss and Norwegian equities will be at least 60%.

These changes have no effect on the Fund's investment strategy or risk/reward profile.

All other features of the Fund will remain completely unchanged.

These changes will come into effect on 9 February 2026.

The prospectus, dated 9 February 2026, will be available in French and English on the am.oddo-bhf.com website and upon request from the Management Company.
