DISCLAIMER

This document has been drawn up by ODDO BHF AM GmbH.Potential investors should consult an investment advisor before subscribing to the fund. The investor is informed that the fund presents a risk of capital loss, but also many risks linked to the financial instruments/strategies in the portfolio. In case of subscription, investors must read the Key Information Document (KID) and the fund's prospectus in order to acquaint themselves with the detailed nature of any risks incurred and all costs. The value of the investment may vary both upwards and downwards and may not be returned in full. The investment must be made in accordance with investors' investment objectives, their investment horizon and their capacity to deal with the risk arising from the transaction. ODDO BHF AM GmbH cannot be held responsible for any direct or indirect damages resulting from the use of this document or the information contained in it. This information is provided for indicative purposes and may be modified at any moment without prior notice. Any opinions presented in this document result from our market forecasts on the publication date. They are subject to change according to market conditions and ODDO BHF AM GmbH shall not in any case be held contractually liable for them. The net asset values presented in this document are provided for indicative purposes only. Only the net asset value marked on the transaction statement and the securities account statement is authoritative. Subscriptions and redemptions of mutual funds are processed at an unknown asset value.
A summary of investor rights is available free of charge in electronic form in English language on the website at : https://am.oddo-bhf.com/france/en/non_professional_investor/infos_reglementaire_gmbh. The fund may have been authorized for distribution in different EU member states. Investors are advised to the fact that the management company may decide to withdraw with the arrangements it has made for the distribution of the units of the fund in accordance with Article 93a of Directive 2009/65/EC and Article 32a of Directive 2011/61/EU.
The Key Information Document (DEU, ESP, FR, GB, ITL) and the prospectus (DEU, FR, GB) are available free of charge from ODDO BHF AM GmbH or at am.oddo-bhf.com or at authorized distributors. Benchmark : Nil

End of Fiscal year 9/30/26

Sustainalytics provides company-level analysis used in the calculation of Morningstar's Sustainability Score.
(1) The summary risk indicator (SRI) is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the market or because we are not able to pay you. It rangesfrom 1 (low risk) to 7 (high risk). This indicator is not constant and will change according to the fund's risk profile. The lowest category does not mean risk-free. Historical data, such as that used to calculate the SRI, may not be a reliable indicationof the fund's future risk profile. There is no guarantee that the investment objectives in terms of risk will be achieved.

Sustainable approach

THREE FUNDAMENTAL PILLARS

1 | Exclusions	2 | ESG ratings	3 | Dialogue and engagement
• **Norm-based**: exclusion of companies that do not comply with certain international standards.(chemical weapons , anti-personnel mines, violation of the principles of the Global Compact, etc.) • **Sector-based**: total or partial exclusion of sectors or activities based on ethical considerations (tobacco, gambling, weapon, adult entertainment / pornographie and Coal...)	• Usage of MSCI data based on a « Best-in-Class » approach	• Regular dialogue with companies on ESG issues • Individual and joint engagement • Inclusion of ESG research within ODDO BHF Asset Management's voting policy • Escalation procedure if engagement is not conclusive
