DISCLAIMER

This document has been drawn up by ODDO BHF Asset Management LUX. Potential investors should consult an investment advisor before subscribing to the fund. The investor is informed that the fund presents a risk of capital loss, but also many risks linked to the financial instruments/strategies in the portfolio. In case of subscription, investors must read the Key Investor Information Document (KIID) and the fund's prospectus in order to acquaint themselves with the detailed nature of any risks incurred and all costs. The value of the investment may vary both upwards and downwards and may not be returned in full. The investment must be made in accordance with investors' investment objectives, their investment horizon and their capacity to deal with the risk arising from the transaction. ODDO BHF Asset Management LUX cannot be held responsible for any direct or indirect damages resulting from the use of this document or the information contained in it. This information is provided for indicative purposes and may be modified at any moment without prior notice. Any opinions presented in this document result from our market forecasts on the publication date. They are subject to change according to market conditions and ODDO BHF Asset Management LUX shall not in any case be held contractually liable for them. The net asset values presented in this document are provided for indicative purposes only. Only the net asset value marked on the transaction statement and the securities account statement is authoritative. Subscriptions and redemptions of mutual funds are processed at an unknown asset value.

A summary of investor rights is available free of charge in electronic form in English language on the website at : https://am.oddo-bhf.com/france/en/non_professional_investor/infos_reglementaire_AMLux. The fund may have been authorized for distribution in different EU member states. Investors are advised to the fact that the management company may decide to withdraw with the arrangements it has made for the distribution of the units of the fund in accordance with Article 93a of Directive 2009/65/EC and Article 32a of Directive 2011/61/EU. The Key Investor Information Document (<<DICI>>) and the prospectus (<<PROSPECTUS>>) are available free of charge from ODDO BHF Asset Management LUX or at am.oddo-bhf.com or at authorized distributors. If ODDO BHF Asset Management GmbH receives any rebates on the management fee of target funds or other assets, ODDO BHF Asset Management GmbH undertakes to fully remit such payment to the investor or the fund. If ODDO BHF Asset Management GmbH performs services for an investment product of a third party, ODDO BHF Asset Management GmbH will be compensated by the relevant company. Typical services are investment management or sales activities for funds established by a different investment management company. Normally, such compensation is calculated as a percentage of the management fee (up to 100%) of the respective fund, calculated on the basis of such fund's assets managed or distributed by ODDO BHF Asset Management GmbH. This may result in the risk that the investment advice given may not be consistent with the investor's interest. The amount of the management fee is published in the prospectus of the respective fund. Further details are available upon request.

It is further intended solely for persons based in countries in which the respective funds are registered for distribution or in which such registration is not required. The shares of the fund have not been registered under the United States Securities Act of 1933, as amended (the "1933 Act"); they may therefore not be publicly offered or sold in the United States of America or to US citizens or any US residents. This publication is intended as marketing instrument and does not satisfy the statutory requirements regarding the impartiality of a financial analysis, and the financial instruments concerned are not subject to any prohibition of trading in advance of the publication of this presentation.

INVESTMENT STRATEGY

Since 2007, ODDO BHF Polaris Balanced* has offered a global and broadly diversified, balanced multi-asset investment solution. It is characterized by an equity allocation between 35% and 60% and a bond segment that invests mainly in investment grade bonds. The portfolio may invest in securities listed or traded on regulated markets, mainly in Europe, the US or Emerging Markets.

The investment objective is to generate attractive asset growth with reduced fluctuations in value through value-oriented investments, while taking into account environmental, social issues and corporate governance (ESG) criteria.

Sustainalytics provides company-level analysis used in the calculation of Morningstar's Sustainability Score.

(1) Risk/return scale in a range from 1 (lowest risk) to 7 (highest risk). This indicator is not constant and is updated if the risk/reward profile of the fund changes over time. The lowest category does not mean a risk-free investment. Historical data, such as is used to calculate the risk/return ratio, may not be a reliable indication of the future risk profile of the Fund. There is no guarantee that the management objectives in terms of risk and return will actually be met.

Sustainable approach

THREE FUNDAMENTAL PILLARS

1 | Exclusions

- **Norm-based:** exclusion of companies that do not comply with certain international standards.(chemical weapons , anti-personnel mines, violation of the principles of the Global Compact, etc.)
- **Sector-based:** total or partial exclusion of sectors or activities based on ethical considerations (tobacco, alcohol, gambling, weapon, adult entertainment / pornographie and Coal...)

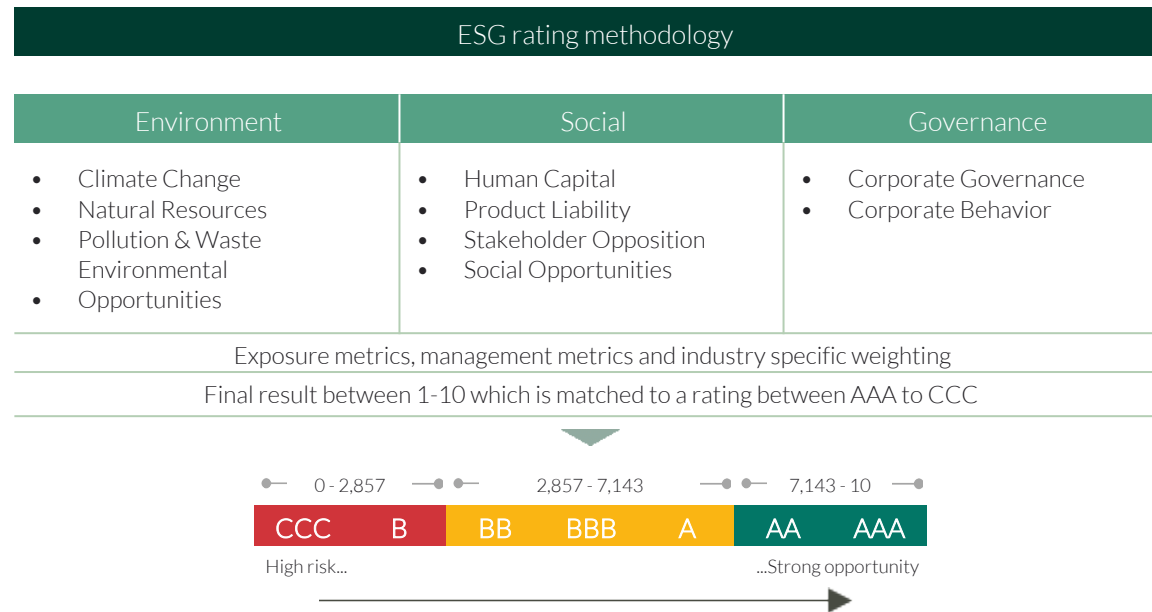

2 | ESG ratings

- Usage of MSCI data based on a « Best-in-Class » approach: a bottom-up, stock-picking approach that favors top-rated companies in their peer group.
- All titles considered for investments have at least a B rating with E,S, and G pillar score higher than 3,0

3 | Dialogue and engagement

- Systematic dialogue with low-ESG rated issuer
- Engagement for upgrade

Glossary - Definition of impact measurement indicators

ESG Quality Score

This score represents the weighted average of the ESG scores for each position in the portfolio. This weighted average is then multiplied by an adjustment factor calculated according to the following formula: $(1 + (\text{sum NAV ESG Upgrade} - \text{sum NAV ESG Downgrade} - (\text{sum NAV ESG Rating CCC} + \text{sum NAV ESG Rating B})))$

Human capital

The Human Capital Theme Score represents the weighted average of the scores for all Issues that fall under the Human Capital Theme: Labor Management, Health and Safety, Human Capital Development, and Supply Chain Labor Standards.

Corporate Governance

This key issue evaluates the extent to which companies' corporate governance practices in specific governance areas – audit, board, compensation/remuneration, shareholder rights -- pose financial risks to shareholders.

Generation Fossil Fuels

Source MSCI: This factor identifies the maximum percentage of revenue (either reported or estimated) that a company derives from the fossil fuel (thermal coal, liquid fuel and natural gas) based power generation.

Environmental Impact Solutions

Source MSCI: This field represents the total of all revenues derived from any of the six environmental impact themes including alternative energy, energy efficiency, green building, pollution prevention, sustainable water, or sustainable agriculture.

Carbon intensity

This figure represents the company's most recently reported or estimated Scope 1 + Scope 2 greenhouse gas emissions normalized by sales in USD, which allows for comparison between companies of different sizes.

Implementation of Human rights policy

Percentage of companies in the portfolio that have implemented one or more initiatives to protect human rights compared to the benchmark.
