

Paris, 18 February 2021

ODDO BHF Asset Management SAS (the “Management Company”) has amended the prospectuses of the funds of which it is the management company in order to comply with the provisions of Regulation (EU) 2019/2088 (hereinafter the “Disclosure Regulation”).

Published in November 2019 and entering into force on 10 March 2021, the Disclosure Regulation establishes new sustainability-related transparency obligations for financial market participants by requiring the publication of sustainability-related information pertaining to their entity and the financial products they manage.

Accordingly, the Management Company has amended its prospectuses to include information on the integration of sustainability risks and the consideration of adverse sustainability impacts.

The following funds are affected:

ODDO BHF Actions Japon	ODDO BHF Immobilier
ODDO BHF Active Micro Cap	ODDO BHF Patrimoine
ODDO BHF Active Small Cap	ODDO BHF ProActif Europe
ODDO BHF Algo Emerging Markets	ODDO BHF ProActif Europe PEA
ODDO BHF Algo Min Var	ODDO BHF US Mid Cap
ODDO BHF Investissement	ODDO BHF Valeurs Rendement
ODDO BHF Euro Short Term Bond	ODDO BHF GLOBAL TARGET 2026
ODDO BHF European Banks	ODDO BHF Haut Rendement 2023
