Capitalised terms used herein and not otherwise defined shall have the same meaning as in the Prospectus dated 6 July 2026 and, where relevant, in the articles of incorporation of the Company (the "**Articles**").

These Changes, which are further described hereafter, mostly consist of the following key items:

The initial subscription price, minimum initial and subsequent investment amounts, subscription and redemption fees and, where applicable, management and performance fees applicable to the UCITS ETF Share Classes will also be set out in the Prospectus. The introduction of the UCITS ETF Share Classes will not amend the rights or characteristics of the existing Share Classes.
